Dear Sir:-

In looking over our records of historical society exchanges, we find that your name is not among them and as we wish to have exchanges with as many of the important societies as possible, we are writing to ask your consideration of an exchange proposal which has been accepted ^{by} a number of societies similar to yours.

We should like to receive your American Journal of Numismatics, or the Proceedings of the American Numismatic Society, in return for The Western Pennsylvania Historical Magazine. This is a quarterly serial published at \$3.00 per year and never sent free.

Very truly yours,

Emma D. Poole

Miss Emma D. Poole
Librarian, The Historical
Society of Western Penn.
Pittsburgh, Pa.

Dear Madam:

In response to your letter of February 4th; the future of our Journal is indefinite and I feel that it would not be advisable for us to arrange an exchange.

Is there likely to be anything of a numismatic nature published in your magazine? Have any articles on Indian Peace Medals or on the board of the community at Economy, Pa. been referred to therein?

If the future of our Journal becomes more assured, I shall be very glad to take up again the matter of exchange.

Very truly yours,

Secretary
